POST'S NURSERY

FRANK M. POST, Prop.

21 Henderson Terrace

Dealer and Grower of

All kinds of Trees, Shrubs, Vines and Plants. Fine Roses for every purpose. Landscape Plans and Estimates.

PLEASE NOTE—Prices quoted herein cancel all previous lists; are subject to market changes, and are NET, F. O. B. NURSERY, and do not include delivery or setting. No guarantee as to growth of stock furnished, is given or implied. The best of stock is listed but will not succeed if proper care and attention in planting and afterward are not given. Anything failing to start to grow in reasonable time will be replaced or refunded if notified of same at once.

Most nursery stock requires a year to get well started. Do all you can to help it.

We try to please all customers. Mistakes can happen. Some people have ill luck. We make good on the first and try to help on the second. You are invited to visit us in the growing season.
